Boston Logan International Airport 2017 Environmental Status and Planning Report (ESPR) - EEA #3247

ESPR Comment Period Extension and Notice of Consultation Session

Massport has submitted a request to the Secretary of the *Executive Office of Energy and Environmental Affairs* (EEA) to further extend the public comment period for the **2017 Logan Environmental Status and Planning Report**.

NEW CLOSE OF COMMENTS: November 18, 2019

Comments may be addressed to:

The Honorable Kathleen A. Theoharides, Secretary
Executive Office of Energy and Environmental Affairs
Attn: Anne Canaday, EEA# 3247
100 Cambridge Street, Suite 900
Boston, Massachusetts 02114

Consultation Session Date/Time:

Massport will hold a consultation session at 6PM on October 29, 2019 in the *Cathy-Leonard McLean Community Room* on the first floor of the Logan Rental Car Center located at 15 Transportation Way in East Boston, MA. A representative from the MEPA Office will be in attendance.

Spanish translation services will be available.

Logan Parking Freeze Studies:

The public comment period for the ESPR has been extended, in part, to reflect Massport's recent submission to the Massachusetts Department of Environmental Protection (MassDEP) of a series of airport ground access studies required by MassDEP in their 2017 approval of the Logan Airport Parking Freeze amendment (310 CMR 7.30). The full ESPR and the MassDEP studies are available for review on the Massport website at:
